## QSL CHANGES, CORRECTIONS AND UPDATES.....

- Check those data bases! Kanok, HS1PDY, reports wrong QSL information is being passed around on his mother (**HS1OVH**). Some state that she has I0WOK as a QSL Manager, however, she has never allowed anyone to do this job, including Kanok. :-)  
QSL **HS1OVH**, **HS1PDY** and **HS1NYH** (his dad), to Box 195 Samsennai, Bangkok 10400 THAILAND or bureau.....
  - Charlie, KY0A, reports all stateside cards for his **V5/ZS6YG** operation that have not been sent for have been dumped into the bureaus. He also indicated that he is getting many requests for cards through the ZS6YG bureau in Johannesburg. Charlie says this is a bit awkward for him and he requests that all cards be sent to KY0A, either direct or via the bureau.....
  - Ray, W8CNL, and Derek, KC4ELO, will have a new address as of March 1st, 1996. W8CNL is the QSL Manager for **9K2ZZ** and KC4ELO is QSL Manager for **9K2ZC** and **9K2YY**. The new address will be: Ray or Derek McClure, 5 McKenzie Circle, North Augusta, South Carolina 29841 U.S.A.
- 

## S0, WESTERN SAHARA

EA3NY plans to operate from S0 land during the **CQWW SSB WPX Contest (March 30-31)** as a Single Op/Multiband station. Activity will be on 10-80 meters. His callsign has not been announced, but he will **probably** use **S01EA**.

---

## T5, SOMALIA

Franco, I4LCK, and Onda, IK4SDY, will be active from **Maio Island (AF-052)** from **March 27th through April 3rd**. They plan to be active on 160-10 meters using a 500 watt amplifier, a R7 vertical and dipoles.

---

## **VK8, MELVILLE ISLAND**

**VK8NSB** will be active from **IOTA OC-173**, located in the Northern Territory (Arafura Sea Coast) West Group, **March 15-18th**. VK8NSB reports he received special permission by the aboriginals on the island. QSL only direct to VK4AAR (1995 or 1996 CBA).

---

## **VP8, FALKLAND ISLANDS**

DA4RG, will be active as **VP8BPZ**, from **mid May until mid September**. He currently does not have firm plans of activity, but states this will be a SSB only operation with NO nets or lists. QSL via GW8VHI or to the bureau to DA4RG. No QSLs will be sent out until his return from the Falklands (around November).

## **XZ, MYANMAR (Burma)**

With the recent postponement of the XZ1R operation from Yangon, many have wondered whether or not the April **XZ1N DXpedition** will be allowed to proceed. According to Wayne, KF7AY, things **still look very promising**. Some regulatory matters between the Myanmar military and related ministries need to be ironed out, but word from Yangon is encouraging and chances are good that the DXpedition will be allowed to proceed as originally planned. However, final approval is still pending and will not be passed on to Wayne until **March 4th**. STAY TUNED! (All OPDX InterNet subscribers will receive an addition bulletin that will contain the complete press release by Wayne, KF7AY.)

## ZW5 & ZY5, BRAZIL

Look for **ZY5A** to be active **March 9th and 10th**, on SSB and on 10-80 meters. There will also be activity on the Brazil DX Net (21225 or 14240 KHz, 1150z). ZY5A will be active from the **Santa Marta Lighthouse** (DFB SC-012) which counts for the "Brazilian Lighthouses Award". QSL via PP5SZ, Pedro Sirzanink, Rua Padre Roma 194/704, Florianopolis/SC, 88010-090, Brazil. Also look for **ZW5CIA** (which is located at the **Ararangua Lighthouse** DFB SC-13) to be active **March 28-30th**, on CW/SSB, 10-80 meters, and on the Brazil DX Net. QSL via PP5VB, PO Box 13, Imbituba/SC, 88780-000, Brasil.

## 36th ANNUAL A.R.A.R.M. CONVENTION IN MEXICO

The Association of Radio Amateurs of the Republic of Mexico (ARARM) extends an invitation to amateurs worldwide to join in attending their 36th annual convention to be held this year in Uruapan, Mexico. The dates are July 18, 19 and 20, 1996. Uruapan is located in the Mexican State of Michoacan in the Western Sierra Madre's. The convention site is the Plaza Uruapan Hotel and Resort with accommodation ranging from \$21.50 to \$26.90. Additional rooms will be available at the Mansion de Cupatitzio for slightly higher prices. Flights in and out of Uruapan are via Mexico City and recommended airlines are America West, Aero Mexico and Aeromar. The ARARM Conventions are very well attended by hundreds of Mexican amateurs and their families. Separate programs for the spouses (cultural tours, etc.) will be organized. This year's convention will include break-outs on emergency communications, satellite, packet radio, a DX forum, antennas, and more. Information via Sergio Valdes Sada, XE2RJ, International Liaison for ARARM, by telephone: 5283 + 35 33 68 or 5283 \* 35 71 13 or 5283 + 35 34 76

## MYANMAR (BURMA) UPDATE

This week's announced XZ1R operation is further postponed. Several regulatory issues still need to be worked out between the military and the ministries involved before amateur radio can freely proceed on a permanent footing.

It is now clearly learnt that when amateur radio was suspended in 1962, the military had a reason to fear that amateur radio was used as a means to pass sensitive information across the borders and into the regions within Burma under rebel rule. The fact that amateur radio was also extensively used in the opposing Karen State (XZ9A & 1Z9A) without license from the Ministry of PT, has added to the current sensitivity.

The recent efforts have been successful in showing the Government the clear benefits of the amateur radio service. Now patience is needed while the different parties will sort out their questions and concerns. Only selected demonstrations will be allowed for the next several months.

The final approval for the planned XZ1N operation in early April is still pending, but the final decision is expected early next week.

Myanmar is another Buddhist country with lots of treasures and temples- very exciting to visit and experience. Petri, OH2KNB obtained Buddha's prediction for the near future, at the leading Buddhist temple- it clearly reads....

"No sorrow, family and friends are enjoyable, but yourself seems unhappily restless. Recommend making some merits and donations. Get rid of greed and you shall gain a peace of mind. Good luck approaching. Lost items recovered. Affectionate loving care interchanged. Patient recovering. Other matters also good in general..."

So, according to Buddha, good times for the Deserving are still ahead of us- for those who are not greedy!

OH2BH, OH2BE and OH2KNB have arrived in Bangkok, Thailand today, Wednesday.
